“ *Ed was one of the first guys I met when I worked at the Proving grounds him and his brother. Later Ed came into town to Plant 9 Automotive Engineering building , Ed was a great guy at work very knowledgeable I asked him questions all the time and he answered. He's one of the few people that will always be remember in a very good way. Thank You Ed*

“ *Darlene and family, Tom and I are grieved to hear of Ed's passing, but comforted in the knowledge we'll see him again. Ed was always a comfort and very practical help not only with his ready smile and sweet spirit, but we particularly remember the time Ed and son mowed our yard, etc when Tom was in the hospital back in 1999. Your whole family has a special place in our hearts. We hold you up in prayer.*
