“ Adam and Justin, I am so sorry you have lost your father. Please try to remember these few things. God called your Father home at the appointed time and arranged the time so that neither of you had to watch your Dad go. Your presence or absence would have changed nothing. You still have your Mom, each other, friends and many relatives who love you very much and are here for either of you any time you call. Love you and am keeping you in my prayers Aunt Pat

“ Adam and Justin, It saddens me to know your pain. A missing piece of the puzzle of life. Know this....I love you, I am only a phone call away. I am sad I can't be there with you today but when everyone gets past and on with their lives, I will be here. I will pray that God will give you peace and understanding. That he will provide you rest in a time of trouble.
