“ *So sad to hear about Eyrrat's passing! He was a great man that served his community. Back in the late 70's, when my family moved us to Grovertown, it was a tough time for Hispanics, but Mr. Saylor took my family in and ALWAYS treated my Grand Parents and family with respect. He did many things for us and gave my grandmother "things" she would use to make the traditional meals we had. He had the most energy out of anyone I have ever met in my life! Up until recent, I know he was still going at it every day. He will be greatly missed!! Prayers and condolences to the family.*
