“ I was very saddened to hear of Francis passing. I did her hair for many years . Her smile so sweet especially when I brought her dark chocolate Hersey bars they were her favorite. She was always eager each week to hear how my children were. I also enjoyed hearing about her life and will never forget her lovely Brooklyn accent♥♥ May she Rest In Peace!

“ Frances was the sweetest lady. I loved the stories she shared with me, of her life growing up. Several times we shared ice cream together. I even brought my granddaughter in to meet her. Francis loved children, even though she never had any. She will be greatly missed.
