“ Glenna was one of the sweetest and most loving persons that you could ever meet. It was hard to be in a bad mood around her because she could always find some way to find humour in any situation. She will be missed by many but especially her children, grand-children & great-grandchildren. R.I.P Glenna....

“ Went to school with Glenna, we were close friends, unfortunately life takes people on different paths. What I remember the most about her was how funny she was. We did get in our share of trouble together. RIP old friend. God took you home. I'm honored to call her my friend.
