“ *Rest In Peace, Skip*

I worked with Harold for many years at Commercial Honing in Hamlet and he was one of the guys who made the job more fun. We had a great time cutting up and joking (we actually did work too) at the shop and would bend a few elbows after work with a bunch of the guys. His favorite thing that he said to me was, "You think you'll ever amount to anything, Taylor?" As it turned out, I didn't. Lol

Back with Polly and the kids. Miss you, buddy
