“ *Hazel, was a very private compassionate woman caring always for others and the giving of herself. She loved her family to the fullest extent and left her life what it was to be in God's hands. Her smile, eyes, and heart was tender and filled with love and caring. Hazel will be missed by all at CKLC.*

“ I have way too many memories to share about this woman. She loved her family through thick and thin. But if I have to pick one memory it would be the time she was babysitting several grandkids (which she did very often) and she asked me to get in the freezer to pull something out for her and there was a diaper in there. I told her I hoped she was going to thaw it before she put it on any of the grandchildren. She said she was putting away groceries and dropped it in there, but funny how it stayed in there for weeks. She will be missed.

we commend your servant Hazel.
Acknowledge, we humbly pray,
a sheep of your own fold,
a lamb of your own flock,
a sinner of your own redeeming.
Receive her into the arms of your mercy,
into the blessed rest of everlasting peace,
and into the glorious company of the saints in light.*
