“Helen always loved to go fishing. I remember her toddling past my house with her fishing pole and tackle. She always had a smile and kind word for everyone. I am so sorry to hear of her passing. A little ray of sunshine has been lost to the world.

“ I know my Mother Dolores would love to be with you on this day but she is in bad shape from a stroke so I will speak for her. My Mother loved Helen and everyone in our family. We all had great times as kids meeting together for holidays at Granda Ma's house growing up in the city memories that cannot be compared to anything else. I know she will be missed very much and our prayers go out for her. God bless you all. Dolores and Joey
