“ I am sure that our Lord and his angels are enjoying some of the best Swedish Coffee cake in heaven. I don't know about the lutfisk. That may take some time. So sorry to hear about her leaving us here but I am sure her blessings are meeting up with all her old friends. Really sorry we are down here baby setting and not being able to say hi to everyone especially John and Fay. May our Lord add his blessings on your gathering. Love you all.
