“ *So sorry to hear about Jim. He spent many days out here in Nebraska helping us get the plant up and going back in 1985 and several more trips out here over the years to keep us going. I valued Jim as a true friend and will certainly miss him.*

“ *I first meet Jim in 1982 when American Door purchased National Door in Haleyville, Alabama. I worked with him many years he was instrumental in helping Haleyville become one of the strongest Interior Sites.
He was very knowledgeable and will be greatly missed by all Masonite sites. My prayers and thoughts go to his wife and family during this time.*

“ *I would like to celebrate Jim's life by remembering how true he was to his self. You always knew he would be wearing boots, jeans, and a tee shirt cut at the top. He was funny, meaner than a snake, and would help anyone in need. God's speed my friend and ROLL TIDE forever more!*
