“ I met Janet and Les through the Destroyer Escort Association several years ago. One could not have asked for a more lovely couple. They took us under their wing (we were the newbies) and always had kind words. My husband led the group for five years with the able assistance of the Davisons and the other members. Janet and I became phone buddies when the Association closed. I will miss her and our conversation immensely. Many prayers and sympathies to her family who she loved with all her heart.

“ Your mom was a strong, straightforward, talented outdoorswoman with a quick wit and sense of humor. I remember she caught you on Senior Ditch Day because you got sunburned then she called my MOM cause we were supposed to be together!! I enjoyed her cooking and talking with her waaay back in the day. I just walked past your old house today as a matter of fact and thought of you all. I am sorry for your loss Linda and family. May you feel His peace and comfort during this time.

We r so sorry for your loss. God has your mom and dad in his loving care. Our sincere sympathy. I miss them already, I would always wave to them as I went past their house at Koontz Lake. They both were great friends to us and we r going to sincerely miss them. We spent lots of fun times with them, through the years we had boat rides together, played cards together and sat around the fire ring in the summers laughing. We even worked together as realestate agents for a number of years. We truly loved them, they were good Christian people. They will be missed. We r saddened by your loss Linda & family. I know they r at peace with God now. Our sincere condolences. Our love,
