“ I have so many memories of my mom, but the one that comes to mind is the "Daniel Button" as we called it, she wore it until he was twenty or older and I had to harass her to take it off now. Well, I just found the Daniel button right next to the computer, where she sat everyday. Imao So, the Daniel button will be going with you mommy, I love you mom ~Andrea~ your baby

“ *While most of my memories about My aunt Janice are from my childhood. My best memory happened just over a year ago. She had been very sick, but still took the hour drive to my wedding shower. It meant a lot to me knowing that i meant that much to her. I loved all of her stories from when her and my Dad were young. She will be missed.*
