“ *My first year of teaching in the JGSC was many years ago. Both Janice and Fred were students of mine. I sincerely enjoyed them both. Fortunately, I reconnected with Janice when she enrolled Mike at the high school three years ago. Our first visit was just like we had seen one another just the other day. Janice, you were always respectful and I really enjoyed seeing you go from the 8th grader who knew everything to a mother. You will be missed and my blessing and prayers to your family.
Sincerely in friendship
