“ I've learned that goodbyes will always hurt, pictures never replace having been there, memories good or bad will bring tears, and words can never replace those feelings. We love you Lil' Jesse, you will truly be missed by all.... watch over your baby girl, mom, dad, and the entire family.

“ I keep thinking about you little brother. I miss you more than you will ever know. I went camping a few weeks ago and I kept thinking about the time we were all camping up north and you peed all over me in the middle of the night because you thought you were outside lol. It was horrible then but it is really funny now. I love you and miss you.

“ I know it's been a while since you all lost Jessie, but I was out of town when it happened and didn't know how to contact you. I found this and wanted to tell you how sorry I am for your loss. I remember Jessie in my Spanish class. It wasn't his thing, but we had some good moments with him and I enjoyed having him there to add to our stories. Jeff, I'm so sorry you lost your brother. I know he meant a lot to you. Even though it's been several months, those of us who knew Jessie still remember him and we always will.

“ *I think about Jesse everyday
I love you big brother!!
It's so hard without you! It's almost been 6 months, But to me it feels
like an eternity & I just don't see it getting any easier for me..
You know me, Always had the emotional heart
But seriously, I'd give anything to be able to go back to that day at
Potato Creek & give you a hug goodbye, Telling you how much I
love you!
I want you back Jesse! Please let me wake up from this nightmare!*

“ *Hey Little Brother,*

*It has almost been a year now. I am still missing you every day. I
wish I could have you back but I know I can't. I hope you are at
peace. I wish everyone could be strong but they aren't doing too
well. I want you to know that I will be thinking of you this coming
Sunday. I wish we could take that day back. I wish you would have
said goodbye. You left without saying anything to me. I miss you
and I will love you forever.*
