“ I’ve known Jim since I moved to Plymouth in 1978. He was one of the people who would give you the shirt off of his back. If Jim called you friend, you had a friend for life. I’m having a great deal of trouble in his passing. My prayers go out to the rest of his family. Rest In Peace my friend. You will be greatly missed. God Speed, Jim Stone.

He was such a good man. His family was family to me His sister Carol (sis) took me under her wing when I was a very young girl. Butch will be missed ...hes no longer in pain which is a good thing and he can now join his sister, brother Danny and mom and dad. He will never be forgotten and I am praying for Leona. May God bring you comfort during this time. Carol
