“ JoAnn was the nicest and sweetest woman. I have happy memories of being with her and our Lake friends at Mac and Dolly's! I have had the pleasure of becoming friends with her Granddaughter, Leah who is also very kind and loving. My heartfelt sympathy to the family, especially Leah.

SA

“ Mom...
Do you remember when we were younger? Me and you would go buy a 6 pack and get into the car and go driving through random country sides. We would put the music on and sing, laugh, and talk for hours. We were the very best of friends and kindred souls. I loved those times! Remember when we dressed up for Halloween and I made you a scary skeleton and I was a Vampire and we went to the American Legion? You sang Patsy Cline in front of all those people!!! You were AWESOME! And you won the GRAND PRIZE of \$50 whole dollars! What fun we had! Growing up with you and being with you in everything that happened in your life was the best thing that ever happened to me. You are my Mother, my sister, and my very best friend! I love you and will miss you for the rest of my life! Peace be with you Mom and know I will see you again!
Always your San

“ Oh my Dearest Aunt JoAnn, I will forever hold the memories of you. I will mostly remember the day I was 5 and crawled up on the kitchen chair and snuck a "Puff" or your cigarette, of course I started choking and coughing and eventually got sick and you all were laughing. That also taught me that I never wanted to smoke. I remember you saying that will teach you. Lol..Gonna miss seeing and visiting with you at Wal-Mart. Rest In Peace. Mark and Sandy, I am so very sorry for such a huge loss to you and our families.. Love Always
Tammy

“ My sweet Aunt JoAnn, You will always be with me. The word sweetie will never be said from such a sweet and caring individual as yourself. I will always remember that everytime we talked you stood so close with your arm around me. It made me feel like whatever we talked about was our secret and it always ended with a laugh. You were always so brave and kind. You will live on in my heart forever until we meet again. I love you.
