

## Joanne Singleton

August 23, 2025

A Graveside Service will be held after Labor Day. Please follow for details.  
Joanne's full obituary follows:

Joanne F. Singleton, age 76, of Grovertown, IN, passed away peacefully at her home on Saturday, August 23, 2025, following a lengthy illness.

She was born on February 27, 1949, in Chicago Heights, IL, to the late George Vendola Sr. and Nadine (McAllister) Kuchel. Joanne lived in the Grovertown area most of her life and spent her career caring for others through her work in the home health care industry.

She also shared many years in the restaurant business, co-owning several establishments alongside her beloved husband and partner, David Ray Singleton, whom she married on April 6, 1979. Together, they built not only businesses but also a life filled with love and laughter. David preceded her in death in 2018.

A devoted wife, mother, grandmother, and great-grandmother, Joanne's greatest joy was her family. She loved gathering everyone together and always had a table full of food, especially baked treats, ready to share. In her younger years, she enjoyed gardening and cooking, pouring her heart into both. Later, she could often be found at the card table, where she never

passed up a good game of rummy—always managing to win with her own special touch—and playing dice with those she loved.

Left to cherish her memory are her five children: Ed (Kathleen) Filip, George (Hazel) Filip, John Filip, Pam Filip, and Angel (Jason) Loftus; 15 grandchildren; 18 great-grandchildren; and two brothers, Dominic Vendola and Pete Kuchel. She was preceded in death by her parents, her husband David, and many brothers and sisters.

Joanne will be remembered for her strength, her sense of humor, her generosity, and her unwavering love for her family. Her presence will be deeply missed but forever cherished by all who knew her.

“ *There are to many to tell. We had a great friendship and would go to lunch/brunch twice a week and each time made a memory. It will be a very long time before I get used to picking up my phone and calling her every single morning. I miss and think about you every day Joanne 🤔❤❤❤❤❤*
