“ I'm sure gonna miss him and am glad we have gotten together in the last few years. I looked for him the last couple of times I was over there and knew he was in pretty bad shape, wish I had known where he was. He didn't sound very good when I talked to him a week ago. He was one of my best friends from my teen years. Never got to meet any of his children but am sure that they are missing him also. Take Care Mary, and god bless!!!!

“ I am so so sorry to hear of the loss of your Father. He was a good friend and neighbor for many years here at the Lake. We were just talking about him on 9/11. I had not seen him in awhile. Just know he is at peace and no longer suffering. May Angels wings surround you with comfort. Rest in Peace John, and thank you for being part of our lives.

“ I'm going to miss you a lot my friend. You made me laugh and always made me feel like the most important guy around. I'm going to miss picking guitars, talking about music and listen to you talk about your kids. There was only one in the world like you, John and the world's going to be different without you here.

“ Sorry to hear of the passing of John. I didn't realize he lived in the area until my brother had talked with him at the IRS in South Bend some time back. John and I and another friend had shared some good times after graduation. I had to go into my old pictures and look at the fun memories we had. I remember him as a quiet gentle man. Again I am so sorry for your loss.

“ I remember when John and his Mom, Dad and Grandpa moved to Koontz Lake from Chicago. He was amazed that we could get the radio stations from Chicago. He thought he was so far from "civilization". John never failed to amuse! He certainly was his own person and didn't mind that people didn't always "get him". He will be missed.
