“ Joe was my cousin. I hadn't seen him since I got out of the Army but thought of him often. It breaks my heart to know he passed before our paths crossed again here on earth. I still have the tons of memories tho!! RIP cuz

“ Joe was an amazing man. My mother loved him with everything she had in her. Those two made an amazing couple. Even though his meatball cooking skills weren't top notch, mom would always eat them anyways. From his whole head of locks to his Elvis Barbie doll Joe was an amazing man. Joe was like a second father to me. This is very hard for all of us, but I'm glad he is sitting up in heaven taking his vodka shots and cancer free. He may be gone but he will never be forgotten. I love you papa Joe!
