“ *Dear Hensler families, Your mom was such a wonderful, kind and
thoughtful woman. I have such fond memories, from years back,
going to the house and having tea with her. Her gentleness was
very influential to me. So sorry for all of you.*

“ *Thinking of the Hensler Family at this difficult time.
As a Child, I remember so many good times being at the Hensler
home.
I always felt welcome by Mr. & Mrs Hensler. It saddens me to hear
of Kathryn's passing. I know that you all have good memories of
your Mom. I know I do. She was always kind and thoughtful.*

“ *Kathryn was always an amazing person and so very kind to me.
During her early 90's she made the trip to Texas. While visiting she
went hiking and then started the holiday baking with the girls. I feel
so very fortunate to have known her and her family.*

“ *What a first class lady! Being a classmate of John and working for the nursery during my teen years I was treated very well by Kathryn! One would have to look awful hard for someone as kind as Kathryn! Wish I could be there John! Presently in Salt Lake City Utah on a 16 day bus tour!*

“ Dear Sue, John, Carol and Martha,

What a wonderful picture. I have so many wonderful memories of your lovely mother and good times at your home during those growing up years in Grovertown. I don't think I ever heard her raise her voice and heaven knows she sometimes had reason!
