“ *Each night we shed a silent tear,
As we speak to you in prayer.
To let you know we love you,
And just how much we care.
Take our million teardrops,
Wrap them up in love,
Then ask the wind to carry them,
To you in heaven above.*

“ *So sorry for your loss. Kolton used to be our neighbor years ago, and would enjoy coming over to hang out with my son, Joel! One day he was over swimming, and when they took a break, I found them sitting out on the deck playing a game of chess! He was always a good boy here! I pray for peace and comfort for all of you at this difficult time.*

Kim, I'm so sorry for your loss! It is so backwards to lose a child, especially one two generations early. I can't believe how much he looked like Bud. I'll keep you in my prayers.

Kim...We know your parents Bud & Julie from our La Porte church. The pain feels insurmountable now. We experienced the passing of our 30 year old daughter, Kim in 1995. In writing that I cannot believe it has been 25 years. We pray you walk closely with your Mom n Dad and draw upon their inner strength at this most difficult time. May ALL who write upon Kolton's wall of memories and those who come out to see you Wednesday be able to show you how much you and Kolton are loved, cared for and try to leave a tiny touch of 'peace' behind that you can hold onto.
