“ *I used to distract Kyleigh when her mom would leave after a visit at Camelot because Nancy would ask me to. I would just talk to her and she would laugh and giggle! She was one of the happiest little girls I know, no matter her circumstances and that would rub off on others as soon as they saw her! She was meant to be an angel on earth and that she was! She's up there playing with Jesus and He's loving on her and cuddling her and kissing her, please never ever forget that.*
