“ We are so sorry about the loss of your father. As a child, I remember him working at his garage in Donaldson and driving the "cool" race cars around the building.
Please know that we are thinking of you.
Sincerely,

“ To all of the Miser family: I am so sorry for the loss of your father, you are in my thoughts and prayers. Uncle Mike was always my favorite Uncle growing up, even though we lived far away, I always remember the wonderfully fun hog roasts in your back yard, and his race cars and motorcycles. He was the first man to take me for a motorcycle ride, been hooked ever since.:)
Love to you all. Judy

“ I wanted to say that I am so sorry for your loss. There is no pain like losing a family member. Janice, you and I have been friends since the ninth grade, and I feel so lucky to have had you in my life. I knew your Dad well growing up, but moving to Oklahoma put me out of touch with a lot of people. I am sorry I cannot be there for you!! Know that my heart goes out to all the family. Love to all!!
