“ *Deepest sympathies to the Corbett family. So sorry to hear about the loss of Larry. I have only the fondest memories of all of the brothers while growing up. Larry and Randy were both too young to be gone so soon. Prayers to all of you.*

“ I have known the Corbett family since childhood. Hung out with Larry a lot back in the day. As life goes we get busy with our own families and lose touch. I have always believed that God puts you in the right place at the right time. Spent a few years golfing with Bruce a few years ago and remembered what great people Mike and Norma raised. For the past year or two I got the chance to reconnect with my old buddy Larry. Always a smile on his face no matter how bad he was hurting physically. Every time we saw each other especially these last two weeks we relived old times and laughed uncontrollably. He always put a smile on this old dudes face. I am so thankful I got the chance to spend time with him. May God bless Brandon, Mike, Jerry, Bruce and families. RIP Norma and Randy
