“ *My parents and I visited Lawrence's family almost every Saturday afternoon in Walkerton when we were children, so we played together a lot. He was several years my junior. Mom who passed away at 101 years of age two years ago (Mary Huhnke) loved all her neices and nephews; however, she had a special place in her heart for Lawrence and he, for her. Tracie, know I am thinking of you today, along with your sisters, and sending my prayers. I am recuperating from a recent pulmonary embolism this Summer. My love to you all, Diana Glissman~~~*

“ *From the time we went to camp together, the times we double dated, and to the time that we were hit by a drunk driver in his 58 Chevy, I moved away but often thought about him over the years.*

To Gail, Gerald and his daughters and all the family members, my thoughts are with with you in sharing your sorrow and I hope that you will find the peace of mind in the loving memories and shared comfort in the days ahead.
