“ I was so sorry to hear your mother was ill and undergoing chemo. I know this is a great loss for you and your family and my heart goes out to you. As a pastor once said, "she has graduated" and take comfort that she is now celebrating her new life. Comfort and blessings are extended to you and your loved ones. In deepest sympathy, Judy Presley

“ Dear Jim, Curt, Jennifer and Grand Kids: Leann was definitely one of God's Angels. She always had a sparkle in her eyes, laughter in her voice, and a heart filled with love for you, Jim, Curt, Jennifer and her precious Grand Kids. It was because of Leann's GROVER TOWN SPUNK , and knowing that God still had plans for her to shower your grandchildren with bunches of love & guidance, that she never gave up her fight to beat the ugly "Big C". Your First Church of God "Family" has missed both you, but understood wanting to be closer to the Grand Kids. Some of my favorite memories with Leann were our Women of Faith trips to Indy, and watching her as she sang & stood Praising God, hands in the air and moving to the music. Leann was great at keeping a secret, like the party she planned at FCOG without you knowing Jim. We will all miss our gentle hearted Leann, but I have no doubt that she is without pain and that she danced when she met our Savior. Leann definitely has her Angels Wings and she will be watching over your family.
