“ There are many things I will miss about Grandma. Here are just a few: Her wonderful pancakes, coolaide (she made the best), joking around with her, spending summers in her pool when I was young, Thanksgiving and Christmas at her house, her teaching Melanie and I how to feed Gabriel when he was a new born (just stuff the bottle in his mouth) etc. Recently, though, getting the opportunity to spend a week with her in Northern Michigan. Mom and Jake, I have you to thank for that (What a gift!!!) Grandma, I miss you and will always love you.

Your Grandson,

Dale

“ I just want to say that my grandmother was truly a beast in every sence of the word! She could make the best food and could always sew up a hole in our clothes. She was there to mend our broken hearts and to warm us up when we were cold! I love you so much Grandma and Miss you even more!
