“ *Janie,
I will miss you my special friend! And you know I will take good care
of Charlie, and he will still get his picture taken with Santa.
You fought hard, and I'm very proud of you for it. You will be in my
prayers.
And don't forget those big oversized marshmallows I got when we
had our campfires for our smores. I always had to give you my burnt
ones.
I love you Janie!!!
