She was always good to me and to others and I thank her for her good deeds to me and to others that had the privilege and honor of knowing June too. Thanks,too, to Mary and Jay and family for always loving me and for watching out for me too and for being good friends to us down throughout these many years. Love you all. Cannot be with you for June's home going service, but will keep you all close by in prayer and thought and deed. May you all feel the peace of God during this time. Love you, Joan and Rich Seaman Ps.
