“Marilyn was a long time member of the American Legion in Kingsford Heights. Though I never actually met her in person but seeing her name on the membership list always reminded me that there were other women who served their country like I did. I do regret that I could have had another woman to talk to that knows exactly what women go through and especially 25 years ago or more. Lost opportunity, but as the Adjutant of Kingsford Heights I send my warmest prayers and condolences to her family. God Bless all!
