“ I wish that I could have spent more time getting to know Grandma, but I cherish the time that we did have. Everyone described her as "a very sweet lady", and I found this to be true.

Zachary loved her very much, and we always looked forward to receiving cards from her at Christmas and for our birthdays, because of the handwritten letters that we knew would be there.

Farewell, Grandma Weller. Although we will miss you, we have peace knowing that you are not suffering any longer, and are home with the Lord and the rest of your family.

We love you very much.
