“ My Dad was the greatest dad a person could ask for.. He was always there for me even when he didn't agree on what I wanted, He always helped me work on things and figure out a good solution to many different problems.. If a person asked my Dad a question, he wouldn't stop until he found an answer. We loved each other very much, and I know that he is in a much better place now. I love you, Dad. Say hello to the family for me.

“ Mark was so funny! We played guitars together when school work was finished. We shared lots of stories and laughs. I knew some of the Mennonites he knew from his childhood. I was so sorry to hear about his passing. But, I agree with his son; he's in a much better place. May the love and peace of Jesus surround those he leaves behind. He would want you to continue his legacy.

“ Dear Cody and Amber - I'm so sorry for your loss, your dad was my cousin and my friend and my childhood playmate - All those boys were the brothers I never had. There was a time as a child when he enjoyed good health and he has that again as he stands face to face with Jesus. All our love to you. You are in our prayers. To Becky - what a blessing you have been to his life. May God bless you.

“ When we were all growing up together, Mark would always stick up for me because I was the baby of all the cousins. Once I was crying because I was afraid of a big dog they had at their house (Ranger, I think) and he made me feel better. I think he had a big heart for those who needed a little extra understanding...even as a kid.

May God grant him rest with the saints, where the light of His countenance shall shine upon him, now and ever and unto ages of ages!
