“ I have so many memories with Mark and the family. My fondest and oldest memories were when we were kids, spending Christmas at Grandma Richwalski’s house. Also, with all the family at Koontz Lake; swimming, fishing, boating and skiing. Most of all, I am so grateful that we were able to reconnect after almost two decades in Arizona, when my brother, Frank, retired there in 2010. My husband and I would visit once or twice a year. The family would get together for cookouts or dinner at favorite restaurants. I am really saddened by his loss. We will reconnect again one day with the rest of the family in heaven. We will miss you. Love you. From your cousin, Mary Lou

“ I have sweet memories of Mark from speech class senior year at ODHS. Our assignment was to create a radio show. We named our station WPBR (P for Raymond Paschen, B for me Gina Berg and R for Mark). It was a lot of fun for this nerd. I'm very sorry for your loss.
