“ Life will never be the same without her. Nannie was one of the greatest, most loving women any one person could ever ask for. She had a heart of gold, but also wasn't afraid to speak her mind. I know her and my grandfather are together again and they are both at peace. You both are missed very much and not a day goes by that either of you are not on my mind. I love you both with all of my heart and soul and I will see you again someday. xoxo

“ Our deepest sympathies to the entire Antich family for the loss of two very special people. I always enjoyed visiting with both of them and listening to them complain about each other. They were both always so funny!! I loved working with Mary at Kmart, all the customers loved her. She was always so kind and caring about everyone. I am happy that they are together now, in peace and harmony together running things up there in Heaven (and probably still bickering....lol.)!! May God wrap His loving arms around the family left behind and carry you through your grief. It is very hard to say goodbye but they are finally free of any pain and suffering. I know Danny especially loved both of them VERY much and he has many, many fond and funny memories. Please let us know if there is anything you need. Love and friendship from, Danny, Mary Ann and Schuyler Awald.

“ Oh my, I have many many memories of my Aunt and Uncle. My Aunt Tootie was my Mothers sister and we all grew up together as young children and then later on as adults. I don't think there are any sad memories except when my cousin Pete died and I don't think my Aunt and Uncle ever got over that. Well now you are all together and free from all the pain that you both suffeered with. Until we all meet again, I love you and give my Mom all my love too. Love you, JoAnne
