“ *Very saddened to learn of Mary Alice’s passing. She was a terrific Mother-in-law to me. Praying for her family and friends during this difficult time. She was a very special and caring person and will always be missed. Some of my fondest memories are when she would make my favorite rhubarb pie in the summer when she knew I was coming to visit her and DeWayne. Rest in Peace Mary Alice.* ”

My Parents were very close Mary and her husband! My Dad helped their house in Walkerton. When my Parents would their home in In. In March they allowed us to live on property in Travel trailer to end of school year. Then we moved to Fl. They never for got my Parents even thro they lived thousands of miles away and for decades made it a point to see them going and coming to Fl. My Mom thought of Mary Alice as her Child. “ Mary Alice was a classmate of mine and a very dear friend. As kids we had a lot of fun playing at her house. I spent many nights at her house. In later years we gathered once a month, with other friends, to have lunch at Over The To Bakery in North Liberty. We shared lots of stories, at that time, and Reminisced about school days. She will be greatly missed.
