“ My Aunt Mary was more of a mother to me than an Aunt. I remember spending weeks at her and Uncle Ed's home in Walkerton when I was probably 5 or 6 years old. Her sisters lived behind them a block or so away. I would spend time between all those homes and it was a wonderful time. Mary was always such a sweet and loving gal as was all of my Mom's (sister Ruby) family. I do miss those days of spending time with them all. I regret not making it back to Indiana in the past few years for that last visit.. Yet another life lesson learned. Bless you all
