“ I will always remember Mikey as a great friend to me growing up just down the street from each other. We would have the best times 4-wheeling and sledding back behind the houses. He would always think of the most craziest things for us to do like me racing him on a bike and him on a 4-wheeler me wrecking that bike and him running me over (I thought his mom was going to kill us)... He was a friend to everyone and I'm so glad I could call him my friend. I'm going to miss you Mikey!! Prayers to your family...

“ We will miss Micheal. Although we did not see him often due to the long distance, we loved him. Our hearts go out to Ben, Diane, James and Jackie. Michael and I (Terry) shared a love of music, and talked about him coming up to Northern Wisconsin to record and maybe collaborate. That will have to happen another day and place. We love you Michael, and pray you are in peace.

“ I will always remember my childhood because of Mikey. My sister and I usually spent most days down the road sledding or playing in the woods. Years later Mikey was the DJ for my high school graduation. He always had a smile on his face and made sure I got extra marshmallows in my hot cocoa after sledding. Days and years passed but from time to time we would run into each other and he always had that same bright smile. Praying for your family. Going to miss you.
