“ *Dan,Phyllis & Family*
We are truly sorry for you loss. I understand from Connie that he was suffering quite a bit. Never the less, I believe as Dan told Connie that children are not supposed to go before parents. May the Good Lord be with you forever. We love you both and the whole Frazier family.

“ *Greg & Family.*

I am so sorry to hear about your Dad.
Though the ones we love may leave life as we know it, in our memory, the love we know will always carry on. Our greatest sympathy.
