“ To Mike's family:

What a shock. I, like Mary, was in Mike class for grades 1-8. I moved away from MC in 1982, and had not seen Mike in close to 30 years. I considered him one of my closest friends while I lived in MC. We spent a ton of time together in school; lunch hours were the best! I got my appreciation of AC/DC and Led Zepplin from Mike. He was always looking for the humor in everything, which in a Catholic grade school kept us going at times. I will always remember his big laugh! Miss you Mike - my prayers are with you family and friends.
