PLYMOUTH – Nancy L. Carmichael of Plymouth, formerly of Koontz Lake, passed away on Wednesday, December 9 in Memorial Hospital, South Bend following a sudden illness. She was born on July 25, 1945 in Melrose Park, IL to the late Leslie and Viola (Terrel) David and was 75 years-old at the time of her death.

On October 3, 1964 in Berkeley, IL she married the love of her life, Robert N. Carmichael who preceded her death in 2016. Together they shared 51 years wonderful years together. Nancy was a retired English, Sociology, and Psychology Teacher at Oregon-Davis High School for many years, where she dramatically effected so many young lives in the most positive way. She was widely known as many kids' favorite teacher. She was the varsity Girls' Basketball Coach for the Lady Cats and was a member of the Church of the Brethren in Plymouth. Most of all Nancy was a family first lady who cherished her kids and grandkids deeply.

Nancy is survived by three children Rhonda (Jim) Scurek of Colorado Springs, CO, Robert L. (Carrie) Carmichael of Plymouth, and Robyn (Tex) Keller of Plymouth; seven grandchildren Cameron, Kelsey, Sophia, Mason, Scott, Ryan, and Bryce; one sister Barbara (Ron) Richter of Colorado Springs, CO; and one brother Richard (Edith) David of Tacoma, WA. She is preceded in death by her parents and husband.

It was Nancy's wishes to be cremated. Because of all the limitations and requirements with the Covid-19 pandemic a Celebration of Life Service will be

held in the spring so the many people who loved Nancy can come and pay their respects. Information on this will be updated on her obituary at rannellsfuneralhome.com. The Rannells Funeral Home, Koontz Lake Chapel is honored to be entrusted with Nancy's care and arrangements.

“ *I've heard this said many times over the last few days, but it is also true for me: Mrs Carmichael was one of my favorite teachers. She even gave me a little grace when she knew I didn't actually read the whole book; although, I didn't love her just for her forgiving kindness. She taught me a lot in English and in the Newspaper room. Her guidance helped pave the way for my career choice. She and I have kept in touch over the years and I am grateful for that. I was so sad to hear of her passing, but was immediately comforted knowing that her heart is now mended as she is with her Bob once again. Many prayers and thoughts to her family. May you find comfort during this difficult time.*
