“ You will be missed by us all Mom Fry! I love you, and I couldn't have asked for a better mother in law! My most treasured times were when I had the pleasure of taking you to have your hair done up town! Sitting in the salon and then going back to the house and just spend a couple hours talking about everything or nothing! Going to yard sales, and Sundays as a family for dinner! I will miss you and your smile! I love you Mom!
