“ Norma, We missed you at our 50th anniversary reunion of the class of 1960. It was a glorious party; everyone had such a good time. We needed you there; obviously you were preoccupied with other things. I hope you are at Peace now.

“ It is in the early years that we make strong ties to those around us -- especially to our classmates with whom we learned to know forever and, now, enjoy the long a go memories.

*Life ends for us all, but memories endure forever. The thought of Norma is with me now and will be with me until the end of time.*

*My sincere condolences to her family.*
