“ Linda, Pam, Angie and your families,

We were so sorry to hear about Pat's passing. We always loved spending time with him from BBQing on the grill, pancake breakfasts, hanging on the boat or just chatting at the house while he held that little fur ball he loved so much. You never knew what he might say, but you can guarantee it was the truth. I can even remember riding in the back of a pickup he was driving from your old house to the site of what is your home now.

He was certainly one of the good ones and I know that he will be greatly missed.

Love,

Dan and Tara Sharp
