“ I never met her but I know of her son and daughter. We bought their beautiful home on Koontz Lake and brought life back to it. We are keeping her green corner counter top and downstairs green bar counter top because she loved the color so in her memory that will live on now with Jesus in her Heavenly home. Thank you Jacob family for being so kind to our family in this home transition. We are honored to live in your home now. It has already brought such joy to our family. We think and speak of you often. God Bless you all at this trying time. God is loving and merciful. Amen.

“ So sorry to hear of Aunt Patties passing. Our condolences go out to both Jennifer and Jeff and their respective family's. Aunt Patty was ALWAYS so upbeat and nice (and like all the Pike girls, a good cook). I have many fond memories of family reunions at Aunt Patty and Uncle Micks place. What a great aunt. May God bless her soul. Bill and Wendie Pike

“ My heart goes out to all members of the Jacob family. Patty was my secret lady when I was in Junior High School. We later became neighbors. She and Mr. Jacob were such nice people. So sad to hear of her passing - heaven has a new angel....

“ I have such warm memories of Mrs. Jacob. She gave my mother a life-line when she really needed it most. I know my mother loved every minute of her time working with Patty, Carol Muncie, and all the others she shared her day with at Her Place. I type this on the 11th anniversary of my mother's death and just a few months short of the year anniversary of my father's death. For this reason, Walkerton, Indiana has not been far from my mind this past year... Seeing that Mrs. Jacobs is gone is a precious reminder of my tenious past. May she rest in peace. Shannon Mahoney

“ Prayers for Patty's family. I grew to really care for her while she was at Miller's Merry Manor. I work in the Activity department so I was able to enjoy her a lot. She had a beautiful smile and always had kind words for me. I will miss her....and her smile. Becky Hooley

“ Jennifer, I am so sorry to hear of the passing of your Mother and also of your Father too. He was always kind to me, and I remember of how I thought you were so lucky to have him as a Father. Your Mother's picture radiates a genuine happiness. I am sure your Father, you, and your brother had a lot to do with that. Let the memories nourish you and your family in this time of grief.
