“ My Aunt Pat use to come over and make fudge for us when we were kids. We loved staying the nite at her house. She was my favorite Aunt always. She was amazing with her jokes, some dirty and was always loving and there to talk to. I'll forever miss her but know she has suffered enough pain and is in a better place now. She will never be forgotten and will always live in our hearts and her child and grandchildren and family. All I can say is I love you Aunt Patty! Love Judy
