“ For one month of my life, I was welcomed and felt truly a part of the Singleton family. Thank you Bob and Danny, for choosing this stranger to share such incredible details of your lives with. I pray all of the family now knows who overjoyed Patsy was to be reunited with the Love of her live again as well as her other son. I will never know why you chose to share the moments you did with me, a total stranger. Thank you each, for I found a new closeness to my own faith through this, as well as forever a mysterious link to the Singleton Family. I only wish I could have done more. God bless you all, living and passed.
