“ *My heart is with all of the family...my Aunt Phyllis has left me with many memories from my childhood that I have always cherished...her faith in God has and always will be an inspiration to me. She told me that she prayed for me a lot to come to know Jesus...her prayers were answered and for that I will be eternally grateful. She was a good and loving lady...I know you will all miss her dearly...the greatest gift you can give her is to meet her again one day...that would be her dream come true*
