“ I remember the first night we were introduced to each other. I remember seeing those dimples and your green, sparkly, smiling eyes. I remember you saying, "may I kiss you"? Of course I said yes that night, then 5 years later in front of our family and God. We had many ups and downs in our 19 years together, and I would go through them all again if I could have you back. I love and miss you Dimples ❤️
