“ *To all of the sons of Karen and Richard. Richard and Karen and the family have been my friends forever, and I will miss Karen and Richard with all my heart. I wish I could be there for all of you at this time, but please know you are always in my Heart and on my mind. They could always make me laugh, and were always there if I needed them. They are together now. In the arms of Angels. Love to all. Hugs too!!! Love You, Nancy*
