“ So sad I did not have a chance to say goodbye to my friend. We were out of the state....  
We wish the family the kind of peace only God can give you.  
I just joked with Dick a few weeks ago how there is no way he's 84!!  
He was a young spirit. My family and I loved him like he was blood!  
My entire childhood has memories of him through out! What a crazy guy! He's the only person that ever got away with calling my Dad "AirHoleleez". ;)  
He will be greatly missed!
